

MAKE YOUR VOTE COUNT

In the
European
Election
vote only
for
Candidates
who will
protect the
Right to Life
of
Unborn
Children

Before you vote on 23rd May, contact the candidates and ask them where they stand on the abortion issue. If a candidate cannot promise to protect the right to life of unborn children in all circumstances, they cannot be considered a suitable candidate for public office – no matter how appealing their other policies may be. If a candidate will not protect the right to life of a little unborn baby, how can you trust that candidate to protect your rights?

REMEMBER! - without the right to life, all other rights are meaningless

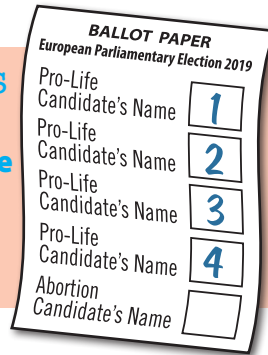

On Thursday 23rd May 2019

VOTE Pro-Life 1 

Make your vote count for unborn babies

Please make full use of the 'Transferable Vote' system to elect pro-life MEPs. On your ballot paper, mark a number **1** beside the first **pro-life candidate** of your choice. Remember to continue along the ballot paper, marking **2, 3, 4**, beside the other pro-life candidates in order of your preference.

But DO NOT mark any number beside a pro-abortion candidate!

Contact the candidates and ask will they protect the right to life of unborn children. The candidates' positions on abortion in previous elections are listed as **Pro-Life** or **Pro-Abortion**
